Dear River Bluff High School Families,

What an exciting first three months of River Bluff High School (RBHS)! We want to share with you the next “first” in RBHS history. RBHS is starting a Parent Teacher Student Organization (PTSO). This is not only a first in River Bluff’s history but also in Lexington. We know that high schools in the area have not had PTSO’s; however, we feel that these successful parent-led groups are very beneficial to the success of ANY school, kindergarten through high school.

Our PTSO has begun meeting and is forming a solid foundation for the organization. We are hoping that you will support us. Here is a look at what the PTSO will be doing this first year and we are hoping for your involvement and support.

- Attached is a membership application. We are inviting all families to become part of the PTSO. Parents cost is \$5.00 for the academic year and students are able to join for FREE. Your membership will go directly to student and faculty programs.
- Our agenda for this year will be to build a budget to support school programs such as Student Social Awareness Programs, the Backpack Food Program for high school families, Faculty Appreciation and funding for teacher programs that support Expeditionary Learning.
- Fundraising at the high school level of PTSO is more challenging than at the elementary level. We also understand that there are many costs associated with students involved in sports or fine arts programs at RBHS. We will be doing Bojangles sales and looking at other student involved fundraisers at school. If you wish to make a donation to the PTSO in its inaugural year, we would greatly appreciate it.
- We encourage your participation on a PTSO committee or school event. This can be as simple as sending in donations of food or supplies, attending programs, meetings and parent events at the school.

With your help in one or more of these areas, we will be a driving force in the development of River Bluff High School. Please complete the attached form with your membership dues or any donation you would like to make and send in to the RBHS office. If you would like to become involved in a PTSO committee or have any questions, please feel free to contact us.

Go Gators!
